This chart is strictly a guide. The information is based on thorough research and may be considered reliable, although not legally binding. We retain the right to modify the general characteristics of our products in order to offer the latest technology. Always check the vehicle owner's manual for specifics related to antifreeze + coolant selection, changeover intervals, and service instructions.

PEAK® Original Equipment Technology™ Antifreeze + Coolant is a full line of OEM antifreeze/coolant products specifically designed for Asian, European and North American vehicles. **PEAK® OET** is the perfect match because:

- **Technologies and colors match your vehicle's original fill**
- **Specifically formulated to provide maximum protection**
- **Easy to choose the correct formula**

FIND YOUR MATCH IN TWO EASY STEPS:

STEP 1: Find your vehicle type. **STEP 2:** Find your vehicle make, model & year.

ASIAN VEHICLES
